Ok, and I assume you will be available for either of those dates? You can let us know the call in numbers later.
Thanks.

Thanks.

Guys, the large conference room is booked for hearings all day....depending on the number of people that show up we may be able to use one of the smaller meeting rooms on that date..

Bob, just a heads up, we would like to plan in cooperation with PCS, for a brief CAC Mtg soon to give members an opportunity to provide input on the upcoming open house and other issues. Several members are requesting it, plus we have not had an opportunity to meet recently with all that's going on with the site.

This could be a shorter session with us calling in from Dallas to a Conference line as we have done before. But we would still need your conf. room as before for the local agencies.

Let me check office calendars on Monday, but as a placeholder, could you pls. hold Thursday morning May 12 , say 10:00 am.

Thanks,
